Dear Parent or Guardian,

Each year the Tennessee Department of Education examines schools' performance across several different indicators to provide an overall look at how schools are serving the needs of all students. The department of education included the following indicators in its analysis of school accountability:

- Student achievement
- Student growth
- English learner proficiency exam (ELPA)
- Chronic absenteeism
- Ready graduate (high school only)
- Graduation rate (high school only)

More information on each of these indicators and the data used to define them can be found in the 2022-2023 Federal Accountability Protocol. Under the federal Every Student Succeeds Act (ESSA), the department is required to use the school accountability results to identify those schools with the lowest performance across student groups (e.g., individual racial/ethnic student groups, students with disabilities, economically disadvantaged, and English learners). These schools will receive additional supports from the department.

We are writing to inform you that Rucker-Stewart Middle School is identified for ATSI designation as required by ESSA and the U.S. Department of Education during the 2023-24 school year.

Our school is working hard with the district and the Tennessee Department of Education to increase student performance by providing high quality curriculum for our students and teachers, tutoring opportunities, after school activities to engage parents and students in the school community, Study Skills classes, intervention classes, and school specific professional development opportunities to increase teacher capacity within the classroom. We encourage you to help by participating in the development and implementation of our school improvement plan and/or being in contact with your child's teacher or school regarding potential academic or attendance concerns that are specific to your child. Skyward is another resource available that can aid in helping parents keep track of academic performance and attendance/tardies.

Sincerely,

Shaun Glasgow
Principal
